Assignment 3: Decision Trees - Rules

Created by Sadiya Amreen on Oct 27, 2022 9:57 PM   ★ Subscribed

The colour we are dealing with is Green and it belongs to the Class YES.

Example	Color	Height	Width	Class
D	Green	Tall	Thin	YES

The Color Green has both the Height and Width attribute in the table given , but In the Decision tree for the Example D in the table only Height attribute is associated with the leaf node 'YES' , hence Width attribute is not taken into consideration.
